✓  
Dear Sir,

I would most respectfully ask the  
the liberty of resigning my place in the State  
Normal School. My business is such that I  
cannot longer devote sufficient time to the department,  
I now have charge of. You will confer a very  
great favour upon me, by filling the place, as early  
as you conveniently can. It will be necessary for  
me to be out of town a portion of the time from  
this date. Until you are able to fill the place,  
I will endeavour to discharge the duties, as  
punctually & faithfully as my other business will  
permit.

March 4, 1833,

Yours truly  
J. H. Salisbury,

Whereupon,  
Resolved that the resignation of Mr Salisbury be  
accepted on the terms proposed by him & that  
the Principal be instructed to require report  
on a person proper for the above place,  
The Board then proceeded to consider the  
application of Mr Felt, which had been laid on  
the table at the last meeting & it was resolved  
that although the Committee entertain the kindest  
feelings for Mr Felt & duly appreciate his services  
in the State Normal School, still in consideration  
of the confined state of the Fund, & more es-  
pecially, of the changes in the appointment,  
& duties of Teachers, which the Committee  
have under consideration, they do not feel  
justified in making any increase of his  
salary.

After receiving certain reports & recommitting  
the same, the Committee adjourned to Monday  
next at 4 pm.

Adjourned.
