PROGRESS REPORT NO. 15

1. Second floor of Dormitory No. 1 is being poured along the west side.

2. Large parking lot between Service Group and Dormitory No. 1 is laid out, curbstones are being poured and results continue to be successful. I believe this will be repeated now without incident.

4. Columns for building "A" of the Service Group are nearly all erected and we can expect completion on that portion shortly.

5. Six athletic fields are ready to be seeded. This will probably occur late this week or next.
