OCTOBER 17, 1949

Bricks and Ivy Again Sponsors Benefit Show

"Looking into the future the editors of the **Bricks and Ivy** expect to publish a retrospect equal to and possibly better than the fine project edited by last year's senior class," said Jacob Lockner IV, '50, editor.

To Present Benefit Show

On the evening of November 10, there will be a presentation of "Our Town," by Thornton Wilder at the Playhouse for the benefit of the **Bricks and Ivy**. Charles Kritzer, '50, business manager, is in charge of the sale of tickets. They may be obtained from Jacob Lockner, Stuart Lotwin and Charles Kritzer. Prices are \$2.40, \$1.80, \$1.60, \$1.85.

Contest Begins

Putnam Barnes, '50, has announced the beginning of the annual campaign for snapshots to be handed in for the Paul Wolfgang Memorial Award. Students are requested to place them in the box attached to the society bulletin board. The winner will be announced in June at the Awards Assembly and will receive a five dollar cash award from the class of 1950.

Butler Is Senior Chief Executive

Edward Butler, president of last year's junior class was again elected president of the class of '50 at a meeting of the senior class in the library on October 5.

Dick Briggs became the new vice-president, and Nancy Shaw, the secretary. Bob Lawton was elected treasurer of the class.

Dr. Theodore Fossieck, principal, announced during the September 28 senior class meeting, that the senior room would be opened to the class on the following morning. It was emphasized that the purpose of the room is to teach wise use of one's leisure time.

At a recent meeting with Mr. Richard Montgomery, English supervisor, the class of '50 planned to present a senior play on March 15. The play will be "Best Foot Forward" by John Cecil Holm.

To Attend Forum

Representatives from various eastern colleges will be at Bethlehem Central High School, October 19, to tell the outstanding features of their colleges to high school students.

At 1:30 a chartered bus will transport most of the Milne junior and senior class to Bethlehem Central where from 2:00-2:30 a general assembly will be held. The time between 2:30 and 5:00 will be divided into two conference periods. During these periods each student will listen to the two college representatives they have chosen.

Some of the colleges sending representatives are: Yale, Colgate, St. Lawrence, Cornell and Dartmouth.

Milne Adds Four Faculty Supervisors To Teach History, English, Spanish

Dr. Fossieck greets the new faculty members. L. to R.: Mr. Jack Krail, Miss Helen Coulter, Dr. Fossieck, Mr. Frederic Weed and Miss Anita Dunn.

Problems Confuse New Milne Students

By Pat Ashworth, Lois Levine

Greetings and salutations! In other words—"Hi, welcome to Milne."

We'll agree with the seventh graders that the first few weeks are rough. Everything seems so confusing especially when you find yourself going down the "up" stairs, and going up the "down" stairs. But don't let it bother you because next year there will be another group of seventh graders, who will be just as confused, if not more, than you.

Besides the new seventh graders there are many new faces in the upper classes.

The eighth grade welcomed Alan Tamaroff, Sally Simmons, Toby Lee Stone and Katherine Kendall. Among the ninth graders are: Mary James, Owen Hart, Francis Rogler, Peter Meyers, Ronald Dillon and David Muirhead. This year the tenth grade has an exceptionally large number of new students. They include Frances Mitchell, Pat Reilly, John Malpaus, Bev McDowell, Bill McCully, Rosemary Chura and Elliot Livingston. The juniors lone new face is Allen Evans, and there are no new arrivals in the senior class.

The general opinion of the new students, toward Milne, is unanimously favorable.

In Sympathy

The entire staff of the **Crimson and White** extend sincerest sympathy to William Brady, '52, on the death of his father.

Five Delegates Hear Thompson; At Conference

Five delegates, representing the Milne **Crimson and White**, heard Dr. Harold B. Thompson, former State College professor, speak at the Twelfth Annual Empire State Scholastic Press Association Conference at Syracuse, New York, on October 7 and 8.

Leave Friday

Nancy Bird, news editor; Anne Coniglio, associate editor; Eleanor Jacobs, editor-in-chief; Lorraine Walker, girls' sports editor, and Charles Suter, boys' sports editor, accompanied by Mr. James E. Cochrane, advisor, left for Syracuse on Friday, October 7. After a three-hour trip in Mr. Cochrane's car, the group registered at the Hotel Syracuse. Classes on newspaper skills, and a Syracuse-Temple football game at Archbold Stadium comprised the remainder of the day's activities. Highlighting the convention was the luncheon at the Onondaga Hotel ballroom on Saturday, October 8, at which Dr. H. Thompson was guest speaker.

Studies State Folklore

Dr. Thompson, a New York State folklore expert, is a professor of English at Cornell University. Previously he was professor of English and director of the music department of the New York State College for Teachers at Albany. His address to the aspiring journalists was concerned with the folklore of New York State. He told a number of amusing anecdotes, and added a serious peroration.

The Milne delegation rounded out the trip by returning home via the Colgate University campus.

Department Head Will Travel Abroad To Spend Year

Changes in the faculty this year include the addition of Miss Helen Coulter, Miss Anita Dunn, Mr. Frederic A. Weed and Mr. Jack Krail, and the loss of Dr. Wallace W. Taylor and Mr. William B. Fink.

Miss Coulter, who supervises seventh and ninth grade social studies, was graduated from Smith College in 1939. She returned the next year to earn a Master's degree, and since then has taught at schools in North Carolina, Connecticut, Pennsylvania and Minnesota. This summer she "had a wonderful time" visiting England, France, Italy and Switzerland.

Taught In Hawaiian Islands

The new supervisor of seventh and ninth grade English is Miss Dunn, a graduate of Eau Claire State Teachers in Eau Claire, Wisconsin. Miss Dunn has taught in several Wisconsin schools, including five years at one of the Madison high schools where she supervised off-campus teachers for the University of Wisconsin. In 1944 she taught in the Hawaiian Islands. Miss Dunn received a M.E. degree from the University of Wisconsin in 1948.

Supervising world history is Mr. Weed, a 1940 graduate of New York State College for Teachers, Albany. After two years of post-graduate work at Columbia University, where he received a Master's degree in 1941. Mr. Weed spent three and one-half years in the army, serving in the United States and in Europe. He taught in high schools in Syracuse, New York, during 1946, and then returned to Columbia for two years to earn a LL.B. degree. While at Columbia, he taught evening classes at the City College of New York. Last year he taught political science in N.Y.S.C.T.

Working for Doctorate

Mr. Krail is the new supervisor of Spanish I, II, and III. He is a 1940 graduate of the University of Wisconsin, attended the University of Chicago last year, and is now working for a doctorate. Between 1940 and 1948, Mr. Krail taught at a military school in Wisconsin and spent four years in the Army. While in the army, he served for several years in Europe.

Dr. Taylor has taken a sabbatical and will spend the year abroad. Miss Milicent Haines is acting as head of the History Department during Dr. Taylor's absence. Mr. Fink, a former member of the History Department, is now teaching at Teachers College, Columbia University.

ALUMNEWS

This summer saw many of our ex-Milnites marching to the altar:

On August 23, two ex-Milne girls were married; Nancy Lee Clark, '47, to Farrand Clarke Prindle II, and Janet Paxton, '46, to Truman Henson.

Norma Johnson, '45, married Richard Luther Gundel on September 3, in the Calvary Methodist Church.

Many of the girls' gym classes have been visited recently by Joan Mosher, '49. Natalie Woolfolk, '48, has been elected president of the Art Club at Casanovia Junior College.

Nancy Lee Bonsall, '46, has announced her engagement to Crosby Jordon Vail. Joan Lehner, '47, is engaged to John A. Berberick, Jr. The wedding is scheduled for January.

Bettie Carothers, who is now attending Syracuse University, came home for the weekend of September 30.

—Nancy and Judy.

Howdy-dooody to you all,
Once again it is the fall.
To all our old friends and the new,
We welcome every one of you!

Practically no one seemed to have a boring summer this year, 'cause everybody did something. Mary Fisher went out to Colorado, John Murphy took a trip to Nevada, while Terry Stokes, Lois and Bob Tewell, and Shirley Bennett went down South. Allison and Dee Parker were at Cape Cod, and Lake St. Catherine saw Margie Potter, Judy Horton, Ronnie Vanderburgh, Bennett Thomson, and lots more. Ed and John Scott spent the summer at Saratoga Lake, Isobel Ure went to Niagara Falls, and Ann Crocker enjoyed the ocean waters near Worcester, Mass. Dave McDonough was at Burden Lake, and those at Lake George were Jane Carlough, Dick Briggs, Anne Bruce, Diane Bunting, and Carl Wagner. Bobbie Dewey and Tommie Tomlinson spent a month way down yonder in New Orleans visiting ex-Milnite Jan Gross.

Frank Parker claims he made another visit to the Orient, and Harry Linindol went deep-sea fishing off the coast of Long Island. He says he caught a 32 pound mackerel!

We have energetic Milnites in our midst too. Buster Dodge and Dick Jaros worked together on a farm, and Ruth Staley and B. J. Thomson lived in a corn crib when they taught horseback riding at Camp Orinsekwa. At Sky Harbor, Lake George, John Collins was a bus boy, and Schuyler Sackman worked on the rides at Coney Island. We understand that Bob Parker, Al Schramm and Bob Callendar scrubbed the decks during their Naval Reserve cruise to Canada.

Many Milnites ended their vacations by venturing to the Westminster Presbyterian Church retreat at Camp Little Notch. Some who were awakened by the damp spraying of fire extinguishers were Carolyn Kritzler, Janet Hicks, Claire Marks, Mary Alice Leete, Mary Frances Moran, and Jane Carlough. The firemen were Put Barnes, Ward Tracy, Dick Taylor, Doug Heald and Frank Parker.

More recently, Bobbie Leete and Bobbie Dewey were spotted at an R.P.I. dance, and Larry Walker, Dick Briggs, "Jeff" Coniglio, Alec Pirnie, Nancy Shaw and Malcolm Haggerty were seen in the movies. Pat Ashworth also had a party for a group of the juniors.

Dottie Mehan and Barbara Sandberg took time out from watching the game while Marion Siesel drove out of a parking space, clearing one-half inch on each side. The four fenders are still on the Oldsmobile!

—Tommie 'n Marion.

A Friendly School

Early in September a local newspaper asked a group of students from various high schools how they felt about going back to school. Of this group, the Milne students seemed the most eager to return.

"This year because the auditorium was being painted, the annual opening assembly was omitted and for the first time in many years we were not greeted with that phrase, "Milne is a friendly school." Despite our joke about it, the statement is true.

Even as confused little seventh graders we were aware of that friendly feeling and since then that feeling has just seemed to grow and grow. It sounds as if we're singing the praises of Milne, we are! And we hope for all you new students that it won't be long until you are singing along with us. To us, that kind of song is the very best that ever was written.

The INQUIRING REPORTER

By "COOP"

WHAT DO YOU THINK OF THE NEW SCHEDULE?

Marjorie Potter: "It would be O. K. if they cut down on the homework, but I haven't noticed any difference yet."

Paul Huprich: "It makes the day longer because you have to get up so early."

Lois Tewell: "We do get more accomplished, but even a canary couldn't eat in our lunch time."

Ted McNeil: "I like the hours but I haven't seen any decrease in homework."

Shirley Bennett: "I like it because we get out earlier."

Peter Dunning: "I personally don't like starting school so early because you have to go to bed so early."

Pat Birkel: "Early to bed, early to rise, makes a person healthy, wealthy and wise, but I don't approve of it."

Dave McDonough: "I think it is O. K. but I would like more time for lunch."

Joyce Roberts: "I don't like it because I haven't noticed any difference in the homework."

Richard Green: "I like starting school early because we get out early."

Judy Deitrich: "It is all right as far as it goes but you have to bolt your lunch."

John Lucas: "I think it is O. K. because you have a chance to start your homework in class. I think that lunch could be an hour later and a little longer."

Cynthia Tainter: "I wish there was a period after lunch for relaxation."

Allan Schramm: "It would be all right if they had a rest period in every class so I could catch up on some sleep."

Rosalind Fink: "I'm a schmoie I know, but I wake up in time for third period."

John Murphy: "I don't like the idea of getting up so early."

Stanley Beeman: "I think it is O. K. this way, there are smaller classes and less homework and a longer time for sports."

Dianne Grant: "I'm mad about it."

Dick Taylor: "I think it is terrible because you don't get enough sleep and you are apt to get ulcers from rushing so during lunch period."

B. J. Thomsen: "I think it is O. K. but I don't think it is fair that we have so much homework."

John Kinum: "You get too tired."

Jan Seibert: "I like getting out early but I don't like getting up so early."

Harold Vine: "You come so early they ought to at least give you some time for homework."

Ronald Vanderburgh: "It's all right. I manage to wake up by the second period."

Things to Come

Fri., Oct. 14, 7:30-10:30—Junior High Dance—Gym—Mrs. Bush and Dr. Moose.

Tues., Oct. 25, 7:30-8:30—Parents' Night—Auditorium.

Tues., Nov. 1, 2:30-4:30—Sigma Rush.

Tues., Nov. 8, 2:30-4:30—Quin Rush.

Milne Drops Opener to Averill Park; Red Raiders Tally Twice in Second Half

Park Team Triumphs By 38 to 12 Margin

Milne's six-man football team dropped its initial start of the season to Averill Park on October 7 in a game played on the victor's field.

Milne scored once in the third period when Bill Hayes, star sophomore halfback, raced into the end zone and once in the final frame when Hayes hit left end, Ed Butler, with a well thrown pass.

Cardell Punts

The Red Raiders received the kickoff but were unable to move so Averill Park took over on downs after a 40-yard punt by Art Cardell. The Averill Park team drove for two first downs, but were stopped short of the goal line as the Milne defense stiffened.

After getting the ball on a punt from deep in Red Raider territory, Penny of Averill Park took the ball on an end around and went for the first score of the ball game. The try for the extra point was wide and Averill Park went into the lead, 6 to 0. The victors added another touchdown when they recovered a Milne backfield fumble and scored on a short pass from Hendrickson to Kakex. Again the extra point was missed and Averill Park increased its lead to 12 to 0.

Milne took the kick-off but lost the ball on downs, and the quarter ended with the victors attempting an unsuccessful passing attack.

Milne Makes First Down

In the first of the second quarter Milne got a drive underway after receiving an Averill Park punt. Dee Parker got Milne's first down of the game, and Bill Hayes followed with two more in spite of a five yard backfield in motion penalty. The drive came to an abrupt halt when Collins of Averill Park intercepted one of Ray Guertin's passes intended for right end, Alec Pirnie.

Milne's Defense Stiffens

Averill Park was unable to move against the stiffening Milne defense and the Crimson and White took over on downs. After Bill Hayes had picked up nine yards in two running plays, Ray Guertin flipped a pass to big Ed Butler for a first down. Hayes grabbed another first down for the Crimson tide of Milne by smashing through the line after two pass attempts were broken up.

Milne's attack then bogged down short of the goal line after some bad passes and good Averill Park defense work combined to stop the Red Raiders for no gain on four successive plays.

Averill Park Scores

After getting their hands on the ball the Averill Park team began to cover the distance between them and the Milne goal in big chunks. Collins charged for 20 yards and a first down on the midfield stripe. After a play that gained practically nothing Murrone scampered 40 yards for a touchdown. The conversion was again missed but Averill Park had a commanding 10 to 0

The Milne football team is shown during a practice session at Beverwyck Park.

lead as the half ended without further scoring.

Al Schramm started the second half off with a kick deep into Averill Park territory. Milne took the ball on downs and picked up another first down before they were forced to kick to the victors.

Pass Play Successful

The Averill Park attack picked up momentum and drove to midfield where quarterback Hendrickson passed to left-end Penny in a play that netted 40 yards and six points for the victors. Collins kicked his first conversion of the day and the score stood 26 to 0 in Averill Park's favor.

Ray Guertin's 20-yard runback of the kick-off started Milne on a drive that was to net the Crimson and White their first touchdown. Bill Hayes' running sparked the drive as the fleetfooted halfback got one first down and raced over for the score. The try for the extra point was missed by inches and the score board read 26 to 6 as the third quarter ended.

Averill Park started the fourth quarter with a bang when Collins connected with Murrone on a pass play that went all the way and gave the victors their fifth touchdown. After the kick-off Milne was forced to kick after a fumble and two incomplete passes.

Averill Park started to role and picked up two first down before Collins passed to Murrone for another touchdown. This put the Raiders on the bottom end of a 38 to 6 score.

Raiders Score Again

Milne's second and last score came in the closing minutes of the game, when after Bill Hayes had gone for a first down, he passed to Ed Butler for the games final score. The point after touchdown was missed, bringing the final score to 38-12.

Milnites See Two Major Grid Tilts

By CHARLES SUTER

Last weekend found Milne students witnessing two major college football games.

Dick Briggs and Stan Beeman journeyed to Ann Arbor, Michigan to see the Wolverines of the University of Michigan, boasting a 25-game winning streak, tangle with Army's "Black Knights of the Hudson."

Staff Members See Syracuse Tilt

Five members of the C. and W. staff who were attending the annual ESSPA press conference in Syracuse took in the night game between Temple University of Philadelphia and the Orange and Blue of Syracuse University.

Temple took the game with Syracuse 27-14, tallying in each of the second and third periods. The Orange used the two platoon system of substitution in an effort to wear down the smaller Temple squad. This strategy did not cure Syracuse's chief faults, which were in this writer's opinion, slowness and lack of downfield blocking on offense, and lack of an effective pass defense. Temple scored two of their touchdowns on long passes that a first rate club could have stopped cold. While its backfield left much to be desired, Syracuse assembled quite an impressive collection of beef and brawn for their forward wall.

Michigan Under Par

Stan Beeman had this to say about the Michigan-Army game: "Michigan was very weak and not up to par for the game."

Dick Briggs stated: "The Army line was one of the deciding factors in the game, although the game was closer than the score indicated."

THE G.A.A.'S CORNER

By "LARRY"

"Dear 'ol G.A.A. we sing a song of praise to you, you are sure the tops in everything you do." Yes here we are back in the swing of sports and homework.

Intramurals Begin

Volleyball intramurals have started and quite a few girls have turned out in both the senior and junior high. Grades 7-9 have volleyball Monday and Friday, while grades 10-12 have intramurals Tuesday and Thursday. Marlene Cooper, Bev Orrett, Judy Traver and Doris Ann Wise are captains of the volleyball teams for the senior high. The junior high teams will be captained by Ruth Dyer, Nancy Tripp, Alison Parker, M. F. Moran, Carole Foss and Mary Alice Tulloch.

The "little seventh graders" seem to be the best volleyball players and even the "mighty seniors" could take a few pointers from them.

Several girls have been helping Miss Murray with her gym classes. Jan Hicks is with the tenth grade; Bev Orrett, freshmen; and Doris Meehan and Jo Milton are with the seventh grade.

For the benefit of all the new girls here is a list of M.G.A.A. officers Cynthia Tainter, '52, office manager; Barb Sandberg, '51, publicity manager; Barb Leete, '50, business manager; Mary Alice Leete, '52, secretary-treasurer; Lois Tewell, '51, vice-president, and Larry Walker, '50, is president. The class representatives are Barb Dewey, Doris Metzner, Mary Alice Tulloch and Sue Ketter.

Cheerleaders Start Practice

The varsity cheerleaders have already started practice. They plan to cheer at several football games this fall and all the basketball games. At the first practice Larry Walker, '50, was elected captain and Anne Coniglio, '50, was chosen cheerleading representative on the M.G.A.A. council. The other varsity cheerleaders are: Barb Leete, '50; Lois Tewell, '51; B. J. Tomlinson, '51; Mary Alice Leete, '52, and Sandra Dare, '52. The Jayvee squad consists of Ruth Dyer, '53; Buzz Sternfeld, '52; Nancy Tripp, '53; Mary Alice Tulloch, '53; Nancy Bellin, '53, and Jeanne Tulloch, '54. The Jayvee captaincy will rotate among all the girls.

New Addition To Gym Classes

Something new has been added to the girls' gym classes this fall. Yup! Miss Murray has a new hat. She discarded her old one during the summer and greeted all the gym classes with a new one. All the girls, especially the seniors, want Miss Murray to know its just "snazzy." (Note: It even has a white cord).

As you all must have realized, Mrs. McLaughlin's cheery smile and greeting has been missing from the locker room, so if anyone has a little time to spare how about writing her a little note, and telling her about school. Her address is on the bulletin board, and I'm sure she'll appreciate it very much.

Mrs. Hoffman is taking Mrs. McLaughlin's place and I might add, is doing a wonderful job.

MILNE SCHOOL FOOTBALL SCHEDULE—1949

Averill Park	October 7
St. Peter's of Saratoga	October 11
Roesselville	October 21
St. John's of Rensselaer	November 3

Morning Finds School Scholars Slightly Sleepy

By NANCY GOTIER

"School days, school days, dear old golden rule days."

As Milnites crawl slowly out of bed at dawn, it can be questioned whether or not they think those golden rule days are dear.

After the first class they probably are more optimistic. I do feel sorry for the first period teachers who have to put their classes through vigorous setting-up exercises to awaken everyone, including themselves.

Change Sleeping Habits

Also, students have had to change their habits pertaining to the time they go to bed and get up. Much to the pleasure of most Milne parents, Milnites go to bed earlier because of the necessity of getting up early. Those who still retire at the same time as last year have found that it's pretty hard to stay awake without a little catnap. It is taking quite a chance to sleep in class and sleeping in the senior room is impossible!

Many students have been complaining that they have to eat four meals a day because their stomachs can't hold on without food from 11 a.m. to 6 p.m. Milne will soon be known as the school of "stout (hearted) men."

Day Seems Shorter

Seriously, the new schedule appears to be working out very well and the school day seems shorter.

School is now in full swing; the seniors enjoying the new privilege of the senior room, the juniors suddenly realizing their responsibilities, and the sophomores looking forward to all the senior high activities. Freshmen can be seen "strutting" around because they're "the" class in the junior high, eighth graders are breathing sighs of relief that they're not the little ones anymore, and seventh graders are just getting used to everything in general.

Ah yes, school has begun and I don't think many are sorry.

Council Holds Annual Student-Faculty Tea

M.G.A.A. Council held its annual student-teacher faculty tea in the Richardson lounge, October 4, at 3:30.

Council members Barbara Dewey, Barbara Leete, Lois Tewell and Lorraine Walker, president, poured tea, while Mary Alice Leete, Anne Coniglio, Doris Metzner and Barbara Sandberg served cookies. Cynthia Tainter, Mary Alice Tulloch and Sue Ketler were kept busy washing and drying dishes in the kitchen.

Several girls from the Home Economics Department assisted the Council. They were Joan Clark, Joan Siebert, Helene Good, Adrienne Gewirtzman, Faye Keller, Barbara Van Dyke and Sonia Melius.

Lorraine Walker, who was in charge of the Tea stated, "The whole affair was very successful as we knew it would be. I want to thank all the students who worked so hard on it and the faculty of the various departments for the cooperation."

Students Awarded Seven Scholarships

Seven scholarships were awarded to the members of last year's graduating class, according to a list released by the Guidance Office.

The awards included the following scholarships: Wells College Competitive Scholarship to Nancy Betham, Wells College Edmund Cogswell Converse Scholarship to Dorothy Blessing, the Syracuse University Scholarship for \$1,100 to Bettie Carothers, the New York State University Scholarship for Children of Diseased or Disabled Veterans to Nancy Simmons, with the two State University Scholarships going to Marylyn Aker and Doris Kaplan.

Although last year's graduating class had two more State Scholarships than the preceding class, they had fewer R.O.T.C. awards. Last year, Milne graduates received only one of these scholarships, which went to Johannes Krahmer, while three were given to the previous class.

York Tells of Future Plans

Mr. Roy York, Jr., head of the Milne music department has announced that this year a junior male choir will be formed for which boys of the seventh, eighth and ninth grades are eligible.

The music room has been rearranged and redecorated over the summer. New chairs and music stands have been rearranged so that they face the hall door instead of Mr. York's office. New multicolored drapes and screens were made by Mrs. York out of leftover Spring concert materials.

Mr. York stated that all to be desired now is a new piano which he hopes to obtain in the near future. He also announced that there will be no Christmas concert this year.

Traffic Squad Takes Post Near Stairways

"Please use the other stairs!" This has become a familiar order, heard during the change of classes, given by the traffic officers who stand near all stairways.

Squad members include: Alexander Pirnie and Edgar Scott, who were on last year's squad; Richard Briggs and Stanley Beeman, two new senior members, and Bob Callendar and Paul Huprich, the new men from the junior class.

Dr. Fossieck has requested that when moving in the halls, students should cooperate with the squad members and follow their directions.

Pupils, Parents Received

Dr. Theodore Fossieck, principal of the Milne School, received new students and parents in the Milne library, Tuesday, October 11, at 7:30 p.m.

After a general meeting, the students conducted their parents around Milne, where they met and talked with the faculty and student teachers.

The new Milnites were shown movies and entertained by Mr. Roy York, Jr. in the music room.

Insurance Given Milne Students

General accident insurance is again being extended to Milne students by courtesy of the DeMoss Insurance Agency.

This plan guarantees to reimburse the parents for any medical expense which may arise from an accident in which a student is injured at any time during the school year of 1949-1950.

Pays Fees

Reimbursement is made for resulting X-rays, hospital, laboratory, nurse's, physician's surgeon's, and medicinal fees. The plan also includes dentist bills for repair and replacement of teeth.

A new feature to be noted is that the student does not have to be admitted into a hospital as a patient. The cost of treatments up to \$500 at home or in a doctor's office is taken care of in the insurance plan.

Rates Are Lower

All accidents, whether occurring inside or outside of school are covered by the plan. Since the plan is on a semi-group basis, it is available at lower rates than if taken up individually. The cost is \$5.00 for girls and \$10.00 for boys.

School Council Meets To Discuss Affairs

Student Council's first meeting was held on October 3, in Dr. Fossieck's office. At this time it was proposed that there be one outstanding Student Council affair in place of two, as has been the custom in previous year. Consideration is being given to a Winter Carnival.

Charles Kritzler, treasurer, is in charge of inquiring about the prices of chartered buses to take students to and from important football games this season.

David Bates, president, suggested that there be a change in elections this year, as to time allotted and voting procedure.

These three proposals will be voted on in the homerooms and then brought back to the next Student Council meeting, by the homeroom representatives.

Commerce Dept. Offers New Business Course

Business arithmetic is the only new course offered in Milne this year.

This course, open to senior high students only, has a large enrollment, most of whom are interested in a business career.

The crafts class, although not new this year, is sponsored by Mr. Raymond, industrial arts supervisor. He stated that there is room for several more girls in his class, if any are interested.

There is no set club program in Milne this year, because of the difficulty in arranging time in the new schedule for meetings. Miss Woolschlager, commerce supervisor, has said, however, that if any person is interested in a specific activity, he should see her. If at least five persons have a common interest, they could form a club, meeting at 2:30, some day during the week.

By MARGIE 'n DI

PUTNAM BARNES

Put Barnes, who has gained experience by managing a variety of teams since he was a freshman, is head manager of M.B.A.A. for this year.

Holds Various Offices

He entered Milne in the seventh grade, and was elected treasurer of his homeroom the next year. In the ninth grade, Put became stage manager for the Music Department, a position he held for three years. He served as secretary of his class, and as a member of the class ring committee, while a sophomore.

B. and I., which sponsored Put at the C.S.P.A. convention last year, now claims him as its photography editor. A member of both Adelphoi and Hi-Y, he is this year's secretary of the latter. Put handles the finances for the youth group of Westminster Presbyterian Church.

Approves the "New Look"

Sympathizing with the "New Look," Put dislikes short skirts. He likes food and females.

Put hopes to prepare for engineering by attending Colby College and M.I.T.

LORRAINE WALKER

"M-I-L-N-E, that's the way you yell it," and she really does. Introducing of course, Lorraine Walker, the peppy, athletic and needless to say popular president of M.G.A.A. Captains Cheerleaders

"Larry" has been a member of, and captained both junior varsity and varsity cheerleading squads. She has been chosen girls' sports editor for C. and W. this year, and why not—she lists two big interests as "watching football and playing hockey."

Before coming to Milne, "Larry" attended Loudonville School. She has always been active in student government, serving as homeroom president twice and vice-president of her seventh grade class. Previously she has been a Milnette and on the Music Council for two years, being secretary last year.

Active on C. and W.

Last year "Larry" obtained her first staff position on the C. and W. She was co-author of the Merry-Go-Round, and since then has attended both C.S.P.A. and E.S.S.P.A. conventions representing the paper.
